Community Safety Meeting with Congressman Gene Green

Safety meeting for the month of June, June 19, 2017 at 8:30 a.m. at East Freeway Storefront, 12001-A East Freeway, Houston, Texas.

Judge Stephens
Teen Court

The court, Judge Stephens has been set for Tuesday, June 27th at 9:00 a.m. Below is the case:

Charge: Possession of six bags of marijuana and possession of drug paraphernalia.

On May 27, 2017 at 11:30 pm Kyle James 19 yr was arrested from his friend Scott Tenn 16 for a ride home when he got off work at Wendy’s. Tonight agreed that he could drop Kyle off from where it was on his way. While they were driving Kyle reached for the pumpkin and poured out a little wine and a small bag of weed. They were taking the bags of marijuana from inside a cabinet. It was his mother’s birthday. Now the mother would find out what he gave his complete his ride to Wendy’s. He agreed not to do it again.

ON WEDNESDAY, PROTESTORS INCLUDING THE HERNANDEZ FAMILY MARCHED in downtown Houston, holding a rally on the steps of the Harris County Criminal Courts Building. They were demanding “Justice for Johnny” and criminal charges against his assaulter, Terry Thompson. Luke in the day’s of the group announced that they would swear the case to the Grand Jury for possible charges and indictments.

On their monthly meeting last Thursday night, the San Jacinto River Coalition received a truckload of sent environmental materials. David Killgore was driving in Channelview in 1992, he directed by Cory Brookman agreed to plant in the incinerator on land near the DeZavala Elementary School. Because of the incinerator project for Channelview.

Because the CCAP still had an active project to clean up the Waste Pits, David Kilgore presents a check to Johnny’s family. The hearse of those from the EPA to further this action, she rericked memorial, with a sign #JusticeforJohnny. She added that a quarterly inspection had been made, with no visual damage present. Topographies and bathymetric surveys were done, but their results were still pending.

Both Yang and Killgore emphasized concerns that the EPA budget under President Trump could be cut in a great deal, slowing or stopping some environmental Superfund cleanup. She indicated that “squeezing the EPA budget” was the Department of Justice’s goal.

See Beating Death, page 3

Protests grow over beating death at Denny’s

Protests hear that beating case will go to Grand Jury

David Kilgore directs a restored from the 1990s, when his CCAP group fought against an incinerator project for Channelview.

Fatal Accident on US 90 in Crosby

CROSBY – Accident investigators for the Harris County Sheriff’s Office were called to the Main St. exit on U.S. 90 at about 1:30 a.m. last Sunday for a fatal accident involving a wrecker truck stopping to help another stranded vehicle and an automobile.

According to the report of Deputy R. Sanders, “Timothy Howell was operating a grey 2003 Ford F350, a marked Harris County tow truck, eastbound in the 20400 block of US 90. Lori Howell was seated in the front right passenger’s seat of the Ford. Timothy Howell observed what appeared to be a stalled vehicle in the inside shoulder. As Howell began to approach the rear of the vehicle, he activated his yellow overhead lights and began to pull over, behind the vehicle. Howell was in the process of slowing down, as he was positioned partially in the inside lane and the small improved inside shoulder area that had been repaved was apparent at both the front and rear passenger’s seat of the Ford. Timothy Howell observed what appeared to be a stalled vehicle in the inside shoulder. As he began to approach the rear of the vehicle, he activated his yellow overhead lights and began to slow down, as he was positioned partially in the inside lane and the small improved inside shoulder area that had been repaved was apparent at both the front and rear passenger’s seat of the vehicle. The man that died was apparently at fault.”

At that time Robert Rodriguez was operating a black 2003 Ford Expedition eastbound in the 20400 block of US 90 at a high rate of speed. Rodriguez failed to yield right of way to the tow truck and the front left of the Ford struck the right rear of the tow truck. Rodriguez was found on scene with no signs of life.

Witnesses indicated that the vehicle operated by Rodriguez had been observed driving fast and weaving through lanes prior to the accident. Timothy and Lori Howell were both transported to Lyndon B. Johnson Hospital by ambulances from EPHORR (the ambulance service for Crosby) and another from North Shore, with non-life threatening injuries. This case remains open and is under investigation by the Harris County Sheriff’s Office Traffic Enforcement Division.

Tickets are available at crosbyrodeo.com or at the gate.
Boy killed in a drive-by shooting

A boy was killed in a drive-by shooting on Saturday afternoon in northeast Harris County.

The 16-year-old was.walking in a group at 14:00 p.m. in the 14000 block of Leiter, according to the Harris County Sheriff’s Office.

A male suspect pulled up at a nearby intersection in a blue Dodge Avenger, according to the sheriff’s office, and shot at the group several times, hitting the victim. The suspect fled, according to the sheriff’s office.

The victim, identified as a Harris County Regional Hospital employee, was taken to the hospital where he was pronounced dead.

Anyone with information is urged to contact the Harris County Sheriff’s Office at 713-847-9000.

Body found in Greens Bayou near Westmont

Houston police are searching for suspects who shot and killed a man in Greens Bayou and called 9-1-1.

The victim was recovered from the bayou and was found to be in an advanced state of decomposition. No apparent signs of trauma were found on the victim’s body.

Anyone with information is urged to contact the HPD Homicide Division at 713-847-9000.

Jamall congratulates Kyle Reed, public works director

(Carron-Conley Funeral Home)

Jamall congratulates Kyle Reed, public works director for his hard work and dedication.

Harris County, TX; the Harris County Sheriff’s Office is investigating an incident that occurred at 11:40 a.m. on Monday, May 29, 2017, in a restaurant parking lot in the 17700 block of the Candy Factory, in Harris County.

The body was transported to the Harris County Sheriff’s Office on Tuesday for an autopsy.

The victim was transported to the hospital and the初步 investigation is ongoing.

The investigation is pending cause of death. Anyone with information is urged to contact the HPD Homicide Division at 713-847-9000.

Governor Abbott announces Special Session

AUSTIN — June 6, 2017 — Governor Greg Abbott today an- nounced a special legislative session that will begin on July 18, 2017. In his announce- ment, Abbott identified 20 items that will be included on the special session call.

Considering all the successes of the 85th legislative session, we should not let the hours be wasted, he said today, Gov- ernor Abbott. “A special session was entirely available, and there was plenty of time for the legislature to legislate for the time and taxpayer expense of a special session. As Governor, if I am going to call a special session, I intend to make it count.”

Special session agenda items will include:

1. Sunset legislation
2. Teacher pay increase of $5,000
3. Administrator flexibility in teacher hiring and retention programs
4. School finance reform commission
5. Special session needs students
6. Property tax reform
7. Caps on state and local spending
8. Preparing citizens from regulating what property owners may do with private on-state and local spending
9. Preventing local governments from raising change muday through construction projects
10. Speeding up local government permitting processes
11. Municipal annexation reform
12. Testing while driving progression
13. Privacy
14. Prohibition of tax payer utilities to collect union dues
15. Prohibition of taxpayer funding for abortion providers
16. Pre-lien insurance reform
17. Strengthening abortion reporting requirements when health complications arise
18. Strengthening patient protections for mental health complications
19. SB 8, by Dr. Charles Schwertner, R-AUSTIN, was amended in the House to become an omnibus abortion regula- tion bill. According to the Senate News Ser- vice, the bill would re- quire that fetal tissue “be given a proper buri- al after cremation, an abortion, would ban a certain type of second trimester abortion and would require the ban on partial birth abortion and ban late-term abortion. The state officials the power to promenade the legislation as SB 8 is awaited acting upon the governor…

SB 1, by Rep. Charles Schwertner, R-AUSTIN, was amended in the House to become an omnibus abortion regula- tion, bill. According to the Senate News Ser- vice, the bill would re- quire that fetal tissue “be given a proper buri- al after cremation, an abortion, would ban a certain type of second trimester abortion and would require the ban on partial birth abortion and ban late-term abortion. The state officials the power to promenade the legislation as SB 8 is awaited acting upon the governor.”

“State taxe tax col- lections in May indicat- ing pending at a moderate pace. Hegar said “Growth in sales tax revenue occurred mainly in the most major industry categories, including oil and gas-related sectors. While the insurance sector showed a slight decline…

Hegar also said total sales tax revenue for the three months ending in May 2017 was 14.5 per- cent from the same period a year ago, but state families for revenue for fiscal 2015 and 11.9 percent less than in May 2016.

Some praise with- drawal…

Texas Attorney Gen- eral Ken Paxton thanked President Donald Trump for his support…

According to the United Nations, the interna- tional agreements’ goal is “to strengthen the global re- sponse to the threat posed by the continued spread of chemical weapons and the use and development of chemical weapons” and the “capacity to counter” and “multilateral efforts to limit the number of states in the world that might be capable of using chemical weapons”.

Examples of such or- ganizations includes the International Atomic Energy Agency, which works to prevent nuclear proliferation, and the Chemical Weapons Convention, which was established in 1997.

Revenue total re- ported

Comptroller Glenn Hegar on June 6 an- nounced that state sales tax revenue totalled $2.5 billion in May, an amount 5 percent more than in May 2016.

Preparedness tips to stay safe this hurricane season

Houston, TX, May 21, 2017 — Hurricane season started on June 1, and forecasts are predicting a 5 percent chance of an above-normal Atlantic hurri- cane season this year, threatening both coastal and inland residents between now and the end of November.

To help families stay safe, the American Red Cross is issuing the top ten hurricane preparedness tips that should be a hallmark of your tropical storm plan for your home.

Here are the top six things you should do now to get ready for Hurricane season 2017:

1. Talk with household members and create an evacuation plan. Be prepared to evacuate quickly and evacuate if told to do so.

2. Build an emergency kit with a gallon of water per person per day, non- perishable food, flashlight, batteries, powered radio, first aid, medications, supplies for an infill if applicable, a multipurpose tool, personal hygiene items, important papers, cell phone chargers, extra cash, blanket, maps, door stop and emergency contact information.

3. Get access to National Oceanic and Atmospheric Admini- stration (NOAA) radio broadcasts. Purchase a battery-powered or hand-crank NOAA radio in your community.

4. Protect win- dows with permanent shatterproof or impact in one-half-inch marine plywood that is coated to fit your windows and doors. Identify where to store heavy furniture, toys, garden equip- ment and supply bins (away from stairs and windows) before you move them from being moved to your attic or basement and possibly hurting you or your family.

5. Be informed. Learn about your community’s hurricane response plan before you sign up for local shelters, register for emergency contacts or sign up for special medical needs as or make plans to get to a shelter. If travel is part of your plan, learn about how emergency situations are commu- nicated at your desti- nation.

6. Download the free Red Cross Emer- gency App for expert guidance on what to do before, during and after hurricanes as well as other types of emergencies. All Red Cross apps can be found in smartphone app stores by searching for American Red Cross or by going to redcross.org/apps.

If someone already has a disaster kit, now is the time make sure the food and water is still okay to consume and that copies of important documents are up to date. If an emergency plan al- ready exists for the household, family members should talk about it in advance so everyone knows what to do and where to go if an emergency occurs.
Rotary project is a school in Ghana

Both Brady is a past pres- ident of the LaPorte Bota- ry club, and was a fund- raiser for an international project, a school in Ghana. Brady speaks to the Highlands Rotary Club last Tuesday at their regular weekly luncheon.

The International Rotary theme this year is “Rotary Serving Wannamaker,” and this includes an interna- tional project for each club. In fact, over the years the Highlands Rotary club has helped support many international projects in places like Peru, and clean water sup- plies for villages in Benin.

Carol married Joseph K. Cady in 1990, who preceded her in 2013. She is sur- vived by her most beloved son, Christopher Brady, and two’s daughters from her first marriage to Gilbert Hoffman, Susan Lynn Hoffman and Patricia Ali- son Hoffman, and grandchildren Derek Goitl, all in Phoenix. She is also survived by her half-siblings, Linda Lesses, her son-in-law, Dean Cady in 2002. Her interests included camping and fishing with her husband, Dean, oil painting, bowling, and various social events. She was a member of the Copper State Afri- can Violet Club. She loved to paint canvases, quilt, lightness and sewed bridges, continuing until her death. She was a member of Pulsar/Park Church. Carol was born on February 23, 1939 to Bernard A. Lutz and Thel- dias L. Lutz, who preceded her in death.

Carol is survived by her brothers, Dean Cady in 1960, who preceded her in death in 2013. She is sur- vived by two daughters from her marriage to Gilbert Hoffman, Susan Lynn Hoffman and Patricia Ali- son Hoffman, and grandchildren Derek Goff, all in Phoenix. She is also car- ried on for her most beloved out- of-state family. She is survived by her sisters, Nancy Evans and Kay Evans, and one grandson, Jesse Evans in Palm Springs. Carol will be greatly missed by her family and friends. The family will have a private memorial later in the year.

LAPORTE ROTARIAN BETH BRADY updates the Highlands Rotary Club on their international project for a school in Ghana. Rotary started to help with a container of donated books, which costs $30 per month. This project is a national Rotary project in each club.

In fact, over the years the Highlands Rotary Club has helped support many international projects in places like Peru, and clean water supplies for villages in Benin. The school teaches or- theates in a local classroom, and now serves between 40 and 50. Rotary has helped the school with donation of used books, and financial sup- port for upgrades to the building. The school teaches or- theates in a local classroom, and now serves between 40 and 50. Rotary has helped the school with donation of used books, and financial sup- port for upgrades to the building.

PARADISEA — San Jacinto College has been chosen to join the Frontier Set, a national network of educational institutions across the country that fosters and encourages student success reforms in higher education.

“As a Frontier Set institution, the College will have access to funding to advance implementation of student success reforms and the form of targeted grants and support in planning, assessment, and transformational change strategy targeted on-demand support from the Aspen Institute’s institutional assistance team and cross-sector collaboration and learning through structured and intentional network-building activities,” said Dr. Laurel Hylton, San Jacinto College associate vice president for student success and dean of advising, career services and student success. “This gives us the opportunity to work with forward-thinking and innovative institutions who, like San Jacinto College, are working continuously to transform student success.”

San Jacinto College was encouraged to apply for entry into the initiative by the Aspen Institute College Excellence Program, an organization that recognizes institutions that are creating a culture of continuous improvement for sustained success. San Jacinto College has committed to:

- Submit data and set targets on near-term and long-term student success metrics and performance indicators for sustained reform.
- Build a strong network of practitioners and network engagement.
- Accelerate implementation and strengthen capacities on-demand and for sustained success, inclusive of the Aspen Institute’s institutional assistance team.
- Submit data and set targets on near-term and long-term student success metrics and performance indicators.
- Submit data and set targets on near-term and long-term student success metrics and performance indicators.

Channelview's Cobbs signs with Paris JC

Galena Park/Jacinto City Rotary Club awards scholarships

Channelview High School's Ella Cobbs signs her letter of intent to play for Paris Junior College in Northeast Texas. Cobbs was the team leaders and starting forward for the Lady Falcons.

These are the GPJC Rotary Club scholarship recipients for 2017. A total of 38 scholarships were awarded recently totaling over $7,000.00 dollars.

Channelview High School girls basketball player Shalay Hall signed her letter of intent to play basketball for McNeese State University in Waco this fall. Hall started at point guard for the Lady Falcons during her high school career.

Three Channelview Falcon Soccer players all signed college scholarships during a recent ceremony. Emilio Rivera, left, signed with Tabor College, while Mike Estrada and Henry Estrada will play for Bethel College. Congratulating them is Head Coach Carlos Galuppo.

The Falcons advanced all the way to the Region III Final and finished among the state’s “elite eight” teams.

Channelview High School girls basketball player Kiki Hall signed her letter of intent to play basketball for McClennan Community College in Waco this fall. Hall started at point guard for the Lady Falcons during her high school career.

Three Channelview Falcon Soccer players all signed college scholarships during a recent ceremony. Emilio Rivera, left, signed with Tabor College, while Mike Estrada and Henry Estrada will play for Bethel College. Congratulating them is Head Coach Carlos Galuppo.
