Galena Park partners with County Health Department to help Harvey victims

By Allan Jamail

Galena Park, TX. – Wednesday, December 6, 2017 at the Alvin Baggett Community Center the City of Galena Park joined forces with the Harris County Public Health Department to help families with Hurricane Harvey recovery.

Mayor Esmeralda Moya invited the county's public health department to the city to educate the citizens on ways to stay healthy from the many health hazards associated with the aftermath of the hurricane.

The health professional educators brought mobile modules each self-contained with a specific health issue needing to be addressed. These educators presented the best ways to prevent sicknesses and diseases normally

associated with flooding rains.

Citizens were given Tetanus and Flu immunizations, wellness screenings, canned food samples, cleaning supplies, bottled water, dental/oral health supplies and mosquito spray. Educational literature and verbal instructions presented were mosquito control, food and water safety, nutrition and physical needs, youth dental health issues.

Harris County's most innovative, out of the box unit is their Virtual Response Unit, which has a dual purpose. During a disaster it'll serve as generator powered, mobile command center. Secondly, the vast majority of the time it will be a virtual reality community engagement tool to motivate people to be more physically and mentally active.

WIC benefits were pro-

Seen above are Rotarians John Parrott, president Adam Lund, Bill Hendrix, and Wayne Oquin with two helpers from the Channelview ISD. Distribution this year was through the high schools in Sheldon, Channelview, and Galena Park, due to the problem of many families displaced because of the flooding from Hurricane Harvey. With the help of the school districts, baskets were sent to each of the High Schools, where recipients came to pick them up.

Abbott asks Rangers to investigate reports of misconduct

AUSTIN — Gov. Greg Abbott has asked the Texas Rangers to investigate reports of sexual misconduct and inappropriate relationships by Texas Juvenile Justice Department personnel.

On Dec. 13 Abbott sent a letter to Texas Department of Public Safety Director Steven McCraw requesting the investigation.

“Recent reports of sexual misconduct and inappropriate relationships by state employees at the Texas Juvenile Justice Department are reprehensible and necessitate an appropriate response,” Abbott said. “Action is needed to guarantee the protection of the youth in the care and custody of the State of Texas. I am requesting that our esteemed Texas Rangers immediately open a detailed investigation to determine the extent of the alleged misconduct at the Texas Juvenile Justice Department.”

Abbott also sent a letter to Camille Cain, newly named executive director of the Juvenile Justice Department, urging her to work with his office to ensure that the youth in the state’s care are protected, and to carry out the agency’s mission to transform young lives and create safer

Tax payments spread-able

Taxpayers with hurricane-damaged homes and businesses may pay their 2017 and 2018 property taxes in installments, Lt. Gov. Dan Patrick said in a Dec. 13 statement.

Patrick said the option is open to residents with damaged homes and businesses in the 60 Texas counties declared disaster areas following Hurricane Harvey. Ordinarily, taxpayers are expected to pay their taxes in a lump sum due by Feb. 1.

“This will not lower appraisals or property taxes, but it will spread out what is owed over several months and eliminate penalties and interest,” Patrick said.

Eligible property owners must take the following steps in order to pay their property taxes in installments:

— By Jan. 31, pay 25 percent of your property tax

bill and inform your local taxing unit that you intend to pay the balance in installments;

- March 31, the second 25 percent payment is due;
- May 31, the third 25 percent payment is due; and
- July 31, the final 25 percent payment is due.

Abbott, DHS chief meet
Gov. Abbott on Dec. 12 met with U.S. Department of Homeland Security Sec. Kirstjen Nielsen at the state Capitol.

The two discussed the ongoing recovery efforts following Hurricane Harvey, border security and cyber security. Joining them were John Sharp, head of the Commission to Rebuild Texas, Land Commissioner George P. Bush, FEMA Region 6 Administrator Tony Robinson and Texas Division of Emergency Management Chief Nim Kidd.

“After today’s productive meeting,” Abbott said, “I am confident that we have a dedicated partner in Secretary Nielsen and this administration, and I look forward to working closely with them on issues important to Texas and the United States.”

DSHS urges immunization

With flu-like illness on the rise, it’s not too late for everyone 6 months old and older to get vaccinated, the Texas Department of State Health Services announced Dec. 15.

Texans can learn where flu shots are available at texasflu.org or by contacting their health care provider. People can help stop the spread of flu by getting vaccinated, washing hands frequently, covering coughs and sneezes and staying home when they’re sick, the agency said.

Vaccination is especially important for older adults, infants, pregnant women and people with chronic health conditions because they are at greater risk of developing serious complications from the flu, said DSHS Infectious Disease Medical Officer Dr. Jennifer Shuford.

Concern: Winter safety

The Texas Department of Public Safety on Dec. 5 encouraged Texans in all regions of the state to make preparations for winter weather.

“While we’ve all heard the joke about Texas only having two seasons — hot and hotter — all Texans need to prepare now for the serious threats that the upcoming winter could bring,” said DPS Director Steven McCraw.

A few among a long list of potentially lifesaving tips offered by the DPS are these: Winterize vehicles by checking the battery, windshield wipers, anti-freeze, tire pressure and tire tread, and by lubricating door and trunk locks to prevent freezing.

Work agency sets rates

The Texas Workforce Commission on Dec. 12 announced the average unemployment insurance tax rate for all employers would be 1.37 percent for calendar year 2018, dropping from 1.64 percent in calendar year 2017 to its lowest point since 2009.

Unemployment insurance taxes replenish the Texas Unemployment Compensation Trust Fund, which provides temporary income for Texas workers who lose their jobs through no fault of their own.

The Christmas Story

Luke 2:1-20,
King James Version

1: And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed.

2: (And this taxing was first made when Cyrenius was governor of Syria.)

3: And all went to be taxed, every one into his own city.

4: And Joseph also went up from Galilee, out of the city of Nazareth, into Judaea, unto the city of David, which is called Bethlehem; (because he was of the house and lineage of David:)

5: To be taxed with Mary his espoused wife, being great with child.

6: And so it was, that, while they were there, the days were accomplished that she should be delivered.

7: And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

8: And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

9: And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

10: And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.

11: For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

12: And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

13: And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

14: Glory to God in the highest, and on earth peace, good will toward men.

15: And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us.

16: And they came with haste, and found Mary, and Joseph, and the babe lying in a manger.

17: And when they had seen it, they made known abroad the saying which was told them concerning this child.

18: And all they that heard it wondered at those things which were told them by the shepherds.

19: But Mary kept all these things, and pondered them in her heart.

20: And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them.

ASK THE EXPERT

ASK DIAMOND JIM

Diamond Jim: "Twas the night before Christmas..."

Twas the night before Christmas, and all through our store,
The diamonds were brilliant like never before,
Gold earrings and pendants, silver and pearls,
And so many shoppers, mostly grown boys and girls.
A wall made of watches and another of games,
We know all your faces but not all of your names,
Greeted by smiles and fresh drinks from our staff,
We chat, share memories and may some laughs.
Red rubies, green emeralds and sapphires galore,
With customers arriving and approaching the door,
New watches, pretty rings, and low prices to share,
For more than 40 years, we know that you care.
So, on Christmas Eve when we then close our doors,
to spend time with our families, just like you will with yours,
We're reminded of

those who we'll miss at this time,
It's hard to believe so many years have gone by.
Our proud "Wall of Honor" saluting the Brave,
Our "Missing Man Table" honors those in their grave,
I think of the soldiers who passed on before,
They protected our peace, our land and our shores.
And as I turn off the lights on this eve of great joy,
I can't help but be thankful to those who deploy,
Tonight with my family, we'll all say this prayer...
"See them home safely, they have family there".
We are so thankful to those who have served, do serve and will serve...
Thank You, Merry Christmas and Happy Holidays!

DPS: Give the Gift of Safe Travel This Holiday Season

AUSTIN – The Texas Department of Public Safety (DPS) is reminding drivers that by staying sober and following basic traffic laws, they can give their fellow motorists the gift of safe travels this season. In an effort to increase safety on Texas roadways, DPS Troopers will conduct traffic patrols throughout the holiday weekends of Dec. 24 – 27 and Dec. 31 – Jan. 1, looking for drunk drivers, speeders, seat belt violators and other dangerous drivers. Many local law enforcement agencies will also increase enforcement efforts over the holidays.
"The holidays are here, and as everyone begins to celebrate this special time of year, we are also asking Texans to be responsible and safe," said DPS Director Steven McCraw. "We trust the majority of Tex-

ans will heed our guidance to be extra careful and patient on the roadways, but there will always be those who disregard the safety of others by driving impaired or engaging in other reckless behavior. DPS, and police agencies across the state, will do our part to deter and take enforcement action against dangerous drivers over the holidays."
During the six-day Christmas/New Year holiday enforcement effort last year, DPS Troopers issued more than 72,000 citations and warnings for a variety of violations, including speeding, no insurance and seat belt/child safety seat usage. DPS enforcement efforts also resulted in 439 DWI arrests, 289 fugitive arrests and 229 felony arrests.
Remember to protect those working on the side

of the road this holiday by following the law: SLOW DOWN or MOVE OVER for police, fire, EMS, Texas Department of Transportation vehicles and tow trucks stopped on the side of the road with emergency lights activated. Also, show the same courtesy to fellow drivers stopped along the road.
DPS offers the following additional tips for safe travel during the holidays:
• Do not drink and drive. Make alternate travel plans if you are consuming alcohol.
• Slow down – especially in bad weather, construction areas, heavy traffic and unfamiliar areas.
• Eliminate distractions while driving, including the use of mobile devices. Texas law prohibits using a portable wire-
