Jacinto City upgrades Fire Station

By Allan Jamail

Jacinto City, TX. -- October 4, 2018 -- Jacinto City already has many new projects under way or recently completed, and is now upgrading and expanding its Fire Station.

City Manager Lon Squyres said, "the original station was built in 1974 for a strictly volunteer fire department. The dorm quarters are not adequate and it lacks basic life safety measures such as a fire escape. The new addition addresses all of these issues by providing several small individual bunk rooms and adequate showers for the firefighters. Part of the older current facility will become a better

Mustangs stomp Panthers 58-0

By Allan Jamail

Thursday, October 4, 2018 at the Galena Park ISD football stadium the home of the Northshore Mustangs, they had what appeared to be another scrimmage game shutting out the C. E. King Panthers 58 to 0.

Coach Jon Kay's Mustangs continue to play with lots of passion and with the goal of reaching the state playoffs. This season his team has defeated the Katy Tigers state ranked #1 and the Westfield Mustangs state ranked #2. Playing with such high intensity as they do, if they can minimize their penalties they can possibly end up in the state champion-

ship contest.

The Mustangs defense has played so well they've had three shutout games and another near shutout with only a 3 point field goal made as the clock ran out to end the game.

Coach Kay had quarterback Demetrius Davis spread out his passes to receivers Shadrach Banks, Chance Pillar, Upton Stout, Ajani Carter, and Jarvis Anderson for the 140 passing yards.

Rushing yards totaling 127 was made by Mustangs Zach Evans, Demetrius Davis, Roger Hagan and John Gentry.

Quarterback Brandon Cardenas set the Falcons up for an easy score after this 40 yard run

The Fighting Falcons have moved to 3-2 in the year and 2-0 in district after a win against Baytown Sterling last Friday. The Falcon defense put together another great performance, holding the

Rangers to only 196 yards of total offense. The Falcons held Sterling to only 27 yards passing and had 1 interception. The Falcons are looking to carry this momentum when they return home this Fri-

day to face Beaumont West Brook. Come out and support the Falcons Friday, October 12, 2018 at 7:00 p.m. in Ray Madry Memorial Stadium.

SCHOOL SUPERINTENDENTS from the 3 local districts were the featured speakers at last week's monthly North Channel Chamber Luncheon at the San Jacinto Monument Room. ABOVE, King Davis of Sheldon ISD, Angi Williams of Galena Park ISD, and Greg Ollis of Channelview ISD brought the audience up to date on activities at each of their districts.

Davis spoke about two topics, the devastation in his district from flooding after Hurricane Harvey, and the progress on new schools built under the Bond program. Sheldon is experiencing a tremendous growth in student population.

Williams spoke about results from the GPISD Bond program, and new and renovated schools. This month her district is holding cornerstone/ribbon cuttings on four new schools, three elementary and one 10th grade school.

Ollis spoke about the effort his staff, including the transportation department, made to help citizens after the flooding from Hurricane Harvey, and his pride in his staff. SEE CHARLOTTE JACKSON'S COLUMN ON PAGE 6 FOR MORE DETAILS.

Channelview ISD Education Foundation hosts Scholarship Tournament

First place tournament winners, Mr. Taylor Myers and Mr. Hayden Purswell, bring home the winnings from the 21st Annual B.H. Hamblen Memorial Scholarship Golf Tournament.

The 21st Annual B.H. Hamblen Memorial Scholarship Tournament, presented by Channelview ISD Education Foundation, was held at the River Terrace Golf Course Monday, October 8, 2018. More than 18 teams and in excess of 100 players participated in a 4 player scramble for an opportunity to assist graduating seniors with furthering their educational careers. The tournament proceeds of more than \$32,000 will provide scholarships to graduating seniors. The 2018 tournament winners were 1st place, Taylor Myers and Hayden Purswell; 2nd place, Ken Junk; 3rd place, Everitt Industrial (Chad Everitt, John Parrott, Adam Thomas, Casey Nichols); 4th place, Fred Hubbard; 5th place, JA Davis Advertising; 6th place, Bryant's Pest Control (Jonathan); 7th place, Channelview ISD Education Foundation (Superintendent Greg Ollis, Kris Lynn, Darrell Cheney, Li-Wie Yu); and 8th place, DivisionOne Construction (Todd Callaway).

This year's sponsors were: Channelview ISD Education Foundation, DivisionOne Construction, Doyle LLP Trial Lawyers,

Everitt Industrial Supply, Hunton Group, Hunton Trane, Huckabee, Perdue, Brandon, Fielder, Collins and Mott L.L.P., LTY Engineers, LyondellBasell, McGriff, Seibels & Williams of Texas, OFS Solid Waste, Thompson and Horton L.L.P., Walmart Supercenter #3500, and Woodforest Bank.

The scholarship tournament has previously raised over \$463,476 for the students of Channelview Independent School District. "It is an honor to work with the scholarship committee to create a successful event that directly benefits graduating seniors from Channelview High School," said,

Superintendent Greg Ollis. "The time and dedication of the committee members, tournament participants, sponsors, and volunteers are greatly appreciated."

The Channelview Independent School District's Education Foundation was organized with the purpose of providing money for scholarships to all qualified graduates of Channelview High School who plan to further their educational careers. The foundation provides graduates with choices they may not have without the program. Last year, \$83,000 in scholarships were awarded to the class of 2018.

Mr. Carlos Galuppo, Channelview High School Head Soccer Coach, joins the CHS Athletics Golf Team and tees off at 16th hole.

Galena Park ISD's Attendance Campaign

Galena Park ISD believes student attendance should always be a top priority, so we are excited to announce the start of our Attend Today, Achieve Tomorrow attendance campaign!

When students miss school, they miss out! A child's daily, on-time attendance is critical to their success in school. While some challenges to school attendance are unavoidable, it's important to understand the impact of each absence.

Did you know a student is considered chronically absent if they miss only two days of school per month (18 days in a year), whether the absences are excused or unexcused? Research from AbsencesAddUp.org shows that even one year with

chronic absences can cause a child to fall behind academically and decrease their chances of graduating from high school.

The good news? Attending school every day increases a child's chances of success in school and in life! In GPISD, we make attendance a top priority to prepare them for a lifetime of success. We work with students to find the reasons for their absences

and provide district support services to help our students get on track towards graduation.

Be sure to follow Galena Park ISD throughout the year on Twitter and Facebook for weekly messages and be on the lookout for more information in each month's parent newsletter. Remember, students who Attend Today, Achieve Tomorrow. Don't let absences add up.

HCDE recognizes cybersecurity safety month with 4 student data safety tips

Oct. 1, 2018 - October is designated as Cybersecurity Awareness Month. Harris County Department of Education Digital Education Director David McGeary provides four tips to help keep students and their data safe when working online.

1. Be aware of who has access to your devices or who may be able to see your screen when you are online.

There is a saying amongst hackers: "If I can get physical access to your device, then I can own it." Whether you're watching a video on YouTube or logging in to a laptop while waiting for the bus, try to stay aware of the access that others may have to your devices or the content on your screens.

2. Treat your data like you would treat your most prized possession.

You would never leave your phone or gaming system out on your porch overnight, so don't do the same with your personal data. Before you use a new online service (whether at home or at school), be sure to read the "terms of service" or the "privacy policies," and share them with your parents. This information can usually be found at the bottom of a site's main page (or the settings of a phone app) and spells out what data is being used by the app and how it is handled.

3. Use strong and unique passwords for all the services that you use. Where possible, have more than one way to authenticate your accounts.

We've all done it. We create a simple, easy-to-remember password for Instagram or Gmail. Then

we use that password for a lot of different things. Before too long, we're using the same password to access Steam library as we do to access our grades. The best policy for passwords: Make them random. Include numbers, letters and special characters. Use a unique password for every major account you have.

4. If you see something, say something.

Students: If a person or online app is suspicious, it never hurts to report your suspicion to parents or another trusted adult. If you receive a message from a stranger on social media, don't respond. Show the message to your parents or a teacher. If you can't find someone right away, screenshot the message. Don't ever give away access to your personal information or personal photos.

Jacinto City Fire Station,

exercise room than we currently have.”

Fire Chief Rebecca Mier said, “the new addition provides additional office space and training space that will be more conducive to our day to day operations.” Plans include new wiring and lighting in the truck bays of the existing building. Future plans include replacing the rolling overhead doors, which are too old and require continuous maintenance.

Planning for the new addition started last year, and construction will be complete before the end of this year 2018.

The two story addition will add about 3840 square feet to the building. The contractor for the work is Portfolio Builders of Houston. Council approved a contract for \$755,500 for

the project. The building was designed by Gilbert Hoffman of Hoffman Liu Design Associates, with the joint venture architectural firm of TDCK Architects.

The new addition will include a Day Room/Training Room, 2 offices for captains, a chief’s office, EMS supply storage, firemen’s gear storage, kitchen, an interview or isolation room, and toilets and stairs on the first floor. An enclosed outdoor patio will be off the day room.

On the second floor, there will be bunk rooms for 6 firemen, and lockers, laundry, showers and toilets. Facilities will be provided for both men and women fire personnel.

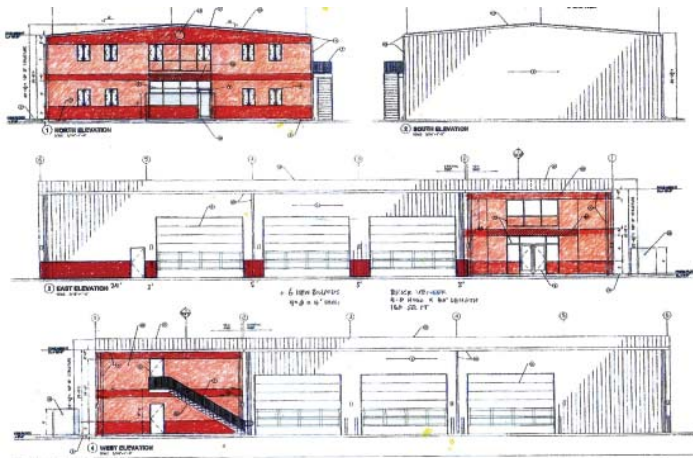

Extensive renovation is required in the existing building due to its age and

wear. Planned for the building are new overhead doors, a new truck bay, new exercise room, and equipment storage.

In addition, electrical service and security service need upgraded and replaced due to its age.

The existing building is about 50 years old, and has had minimal remodeling over the years. City Manager Lon Squyres, and Fire Chief Rebecca Meir, have indicated the work is required to continue to provide adequate EMS and fire service to the community.

The building will be enclosed in two colors of brick, and feature signage at the new glass entry. The brick will partially enclose the existing building on the Mercury Drive facade to blend the two together.

ASK DIAMOND JIM

Diamond Jim: "Who is the pretty young woman I've seen in your new TV commercials?"

I'm so glad you asked. Her name is Danielle and yes, she is pretty. Danielle officially joined our amazing team at Pineforest Jewelry a little more than one year ago. I say "officially" because she actually spent much of her growing years here at our store. I know this may sound a little unusual but not when you learn that Danielle is actually my Granddaughter. She fell in love with jewelry at a very early age and would invest countless hours learning about gold, gems and the various jewelry making techniques and repair processes.

Danielle is knowledgeable about most facets of the jewelry business and is learning more each and every day. Like all of our associates and employees here at Pineforest Jewelry, she is focused on ensuring that our customers receive a "WOW" experience during every visit to our family oriented and welcoming store.

Our management team was so impressed with Danielle's knowledge and capabilities that earlier this year, we promoted her to Sales Manager. Of course I am bias in my feelings and opinions of Danielle, being her Grand Father. With

that in mind, I welcome each of you to come in and meet Danielle for yourself. I'm confident you will soon agree that she has found her calling. Ask her about most any jewelry item in our store and she will usually have a very in-depth understanding of the design, the manufacturer and the history of the piece.

We are all proud of Danielle however, Linda and I are especially proud of the amazing young woman that she has become...right before our very eyes.

If you have questions pertaining to jewelry, watches, diamonds, precious stones, precious metals, and other questions related to the jewelry industry, email jmills@pineforestjewelry.com.

Diamond Jim is a diamond dealer and precious metals broker of NTR Metals. See more at: www.pineforestjewelry.com.

Lives Impacted by Education

On Friday, I had the opportunity to be attending the North Channel Area Chamber of Commerce Luncheon and to hear updates from our three local ISD Superintendents. Dr Angi Williams, of Galena Park ISD opened the presentations with an out of the ballpark presentation. Her presentation spotlighted so many amazing programs in the District as well as reports on the progress of the Bond Election. It has been a busy year for them and will continue to be. Being a graduate of North Shore, as well as having had my three children attend school there and now having two granddaughters attending school there, gives me so many reason to be proud of the hard work of the District employees.

Next up on the stage was Greg Ollis of Channelview ISD. Being fortunate enough to serve alongside him for the past several years as a part of the Channelview Ministry Team, I know his heart. And to watch as he shared a presentation with statistics much like those of the other two Superintendents, which show the great needs of the families as well as the terrific impact of volunteers in the districts, brought tears to many eyes in the room. He shared about the importance of those who raise money through the

CHARLOTTE'S WEB

By Charlotte Jackson

Hamblen Golf Tournament each year and shared stories of different accomplishments of the children. Yet, when he spoke about the efforts of the Cisd Transportation Team, you could tell he was holding back tears. He talked about how when Hurricane Harvey impacted so many, his Transportation Team came through for the long haul (no pun intended). Drivers worked long hours, cried with the neighbors, prayed with the neighbors and moved forward to do all they could to help. He went on to mention how those employees are monthly raising money to help in some way. The pride he had was so real. Looking around the room, seeing all of the tears, I knew he cared and so did the others.

Next up on the agenda was Sheldon ISD Superintendent King Davis. He showed a presentation with pictures of the hurricane damage as well as the progress their district is making towards the new High School and Athletic Stadium. He could not say thank you enough to the community for the

assistance the children had received after the hurricane. He mentioned Constable Sherman Eagleton's employees and their efforts as well as those of so many others. To see that he as well as the other two not only are proud of their Districts but of the commitment from the community to help students succeed, was priceless. These individuals never take credit for their leadership abilities yet they work tirelessly to make a difference and impact lives.

Every one of us can do something. If you are still in the area which poured your foundation, volunteer. There is always something you can do. If you moved here and cannot get "back home" to help, please reach out and volunteer. Maybe you do not have time to help, but you may have financial means to help and even if you do not have that, you can pray. The students, the families, the teachers, the staff, the administrators, the School Boards and the retirees. The impact we make today will affect the future. And I promise, the impact will be priceless.

Sandra Ann Johnson

Sandra Ann Johnson, 72, went to be with her Lord on October 9, 2018. She was born to parents William and Catherine (Davis) Ingram on April 17, 1946 in Houston, Texas. Sandra was known for her devotion to her family and was a loving wife, mother, and grandmother. Her devotion also extended to her

OBITUARIES

church, where she was known as a devout Christian with unwavering faith; she truly was an angel.

Sandra was an active and avid reader who also taught children in pre-k. She really loved her Houston Astros, and her dog, Maggie.

Sandra is preceded in death by her son, Wes William Sharp; sister, Sherry Wilkerson; and brother, Michael Ingram. She is lovingly survived by her husband of 42 years, Tommie Johnson; children, Kim Harder, Keith Sharp, and "bonus daughter" Lisa O'Neill; grandchildren, Catherine Harder, Sara Harder Robinson, dear friend, Fadra Sharp, as

well as numerous extended family members and dear friends.

The family invites you to join them for a visitation on Friday, October 12, 2018 from 5:00 P.M. to 8:00 P.M. at Carter-Conley Funeral Home. Funeral services will be held at 10:00 A.M. on Saturday, October 13, 2018 in the chapel of Carter-Conley Funeral Home. Galena Park ISD (GPISD) is celebrating School Priority Month throughout the month of October! School Priority Month is a campaign to promote school districts and foster relationships with elected officials and community leaders. Recognized as a state-wide event, GPISD is joining public schools across the state of Texas and opened its doors to elected officials and community leaders of every kind- from congressmen, senators, state representatives, judges, constables and ministers- to attend district events and visit with students and administrators. During School Priority Month, Galena Park ISD is focusing on recognizing and rewarding excellence, communicating what's important in education and highlighting community engagement. GPISD kicked off School Priority Month by inviting elected officials, community leaders, community members and the GPISD Board of Trustees to the North Shore Elementary (NSE) dedication ceremony and ribbon cutting ceremony for their new facility. The morning was filled with laughter and a time to thank everyone who contributed to the construction process. "This is a school for our community, for our children and future generations," North Shore Elementary principal, Esmeralda Perez, said. "We couldn't be more proud of our red, white and black, NSE ponies." On behalf of North Shore Elementary, GPISD would like to thank Representative Ana Hernandez, Judge Joe Stephens, Harris County Commissioner Rodney Ellis, Yuroba Harris from Gene Green's office and the GPISD Board of Trustees for attending this special day. Follow them on Facebook and Twitter to see all of the wonderful activities and events happening on GPISD campuses throughout the month of October.
