Almost 200 local residents and visitors were on hand as part of the celebration.

"We’re open and ready to serve the community. Find us at the Altrium 10 office building in the same spot that Gene was in. Please come and see for yourself, to say ‘thank you’ for anything. The people of the 29th District of Texas have come to expect a high level of constituent service and community engagement. We will continue with many of the previous initiatives such as Community Health Check-ups, regular Northeast Neighbor-Safety Meetings and more. We also want to grow and build on what people want. It's our role and our job to help," said Congresswoman Garcia. Present at the event were key members of Garcia’s staff, John Chopra Gorczyca, previously Chief of Staff to Choppa Gorczyca, now director of the City Hall and one in the House of Representatives.

TxDOT reminds Spring Breakers about the dangers on Texas roads, with hundreds of impaired driving crashes involving young drivers occurring each year. As college students and young adults head to Spring Break destinations in the coming weeks, the Texas Department of Transportation’s “Plan While You Can” campaign reminds them to make a plan for a sober ride before the party starts.

“Drinking alcohol and driving can severely impact a young person’s future. Many promising years are cut short due to the influence of alcohol and driving, and демоrtize the consequences of drunk driving. Parents should talk to their children about the dangers of impaired driving and drinking, and communicate the consequences of drunk driving. Parents should talk to their children about the dangers of impaired driving.”

TxDOT Executive Director Leslieme reminds them to make a plan for a sober ride home before heading out. Please plan ahead for a sober ride to ensure you get to and from your destination safely.

During last year’s Spring Break in Texas, there were 444 crashes involving young drivers who were under the influence of alcohol. Three people died and 72 were injured.

The “Plan While You Can” campaign encourages drivers to plan for sober rides and to make the safe choice. Visit SoberRides.org to find alternatives to drinking and driving, such as using mass transit, designating a sober driver, calling a friend back home, or calling a cab. You can download the SoberRides App on your phone to track sober rides while you’re on Spring Break.

While drivers under the influence of alcohol kill or seriously injure themselves or others, they also face up to $17,000 in fines and fees, jail time, and lose their drivers license. Visit SoberRides.org to find alternatives to drinking and driving, such as using mass transit, designating a sober driver or calling someone for a ride home.

“Plan While You Can” is a key component of #EndTheStreakTX, a large-scale tour featuring interactive trivia games where participants are a part of an immersive virtual game which opposes measures to reduce drunk driving and drinking, and demonstrates the consequences of drunk driving. Players avoid “jail” by answering questions correctly, and winners progress to the next round to receive prizes.

The Senate approved across-the-board teacher pay raise

(Austin) The Senate passed its first bill of the session Monday, one that would give every public school teacher in the state a $5,000 pay raise beginning on the first full semester of 2019. Named as an emergency issue by the Senate last week, the bill drew the support of nearly all Senate members, including Sen. Jane Nelson, R-Flower Mound. “This one thing we should do, first and foremost, is to recognize the need to uplift our entire teaching profession,” she said. According to testimony offered by Texas education commissioner Mike Morath last week, 91 percent of the state’s 175,000 public school teachers in the state make below $40,000, and $5,000 per year, including bonuses, would lift many teachers over the poverty line. All 25 senators joined Nelson as co-authors of the bill. The bill would cost the state right at $4 billion annually. A 25 percent increase in the state’s teacher pay ratio for the state’s 175,000 public school teachers at a cost of $4 million, Nelson said Monday, if signed into law, would yield an additional, effectiveness-building boost in the state’s educators, expected in forthcoming classroom performance. The bill now heads to the House.

In committee action Monday, the Senate State Affairs Committee approved a Senate State Affairs bill by Sen. Jane Nelson, R-Fort Worth, that would provide $87 million in additional education funding to schools and libraries, at a cost of $3 million. Nelson noted Monday that the school funding, if signed, will augment an additional state revenue and, additionally, effectiveness-building funds expected in forthcoming classroom performance. The bill now heads to the House.

Saturday, March 2nd the Mustangs having to play back-to-back games with only a few hours rest, Head Coach Sam Benitez and the team loaded up on buses and began the long drive to Cy-Fair’s Berry Center for the second day of the two-game tournament.

The Regional Title game was low scoring 35 - 32, North Shore and George Ranch put on a thrilling defensive show for their fans. Coach Benitez said he knew the Mustangs were tired from the start because of not having much time to rest from the long overtime game played hours before. "I knew they'd have to reach down deep inside to find the hustle and scrappiness needed to win, they did, and they deserve this hard fought earned win," Benitez said.

The Mustangs trailed the Longhorns the entire game, and trailed deep in the fourth quarter until senior forward Keiman Capers made a 2 point shot followed by a 1 point free throw by junior forward Randy Woodard to bring them within 1 point. The defense shut-out the Longhorns and after a missed basket on the next play Mustang Senior Guard Bruce Scott drilled a 2 point jumper to give the Mustangs their first lead, 33 – 32. The Longhorns missed another shot and fouled Scott putting him on the free-throw line for 2 shots with eight seconds left.

Longhorn Coach Charlie Jones called timeout trying to freeze Scott, but the senior guard remained calm and controlled as he put the final nail in the coffin, hitting nothing but net, making it 35 – 32, and getting crowned UIL Region 3 - 6A Champions. Senior Bruce Scott and sophomore guard Napoleon led North Shore with 12 points each.
