Sheldon ISD celebrates opening of new stadium

Sheldon ISD celebrated its second ribbon cutting in two months at the newly opened Sheldon ISD Stadium on September 12, 2019, following a $62 million renovation project that was originally scheduled for completion in May 2019. The facility features approximately 10,000 seat stadium will start a new chapter for our coaches, athletes and fans,” Davis added. Leticia Acheson, Sheldon ISD School Board President, spoke about the new facility.

San Jacinto Pilot Club installs new leadership

The San Jacinto Pilot Club installed their new officers for the 2019-2020 year, which begins July 1. President: Joan Van Fleet; Vice President: Carolyn Brown; Secretary; and Karen Woodruff Despain. We wish all these officers the very best of luck this Pilot year.

The San Jacinto Pilot Club meets on the second Tuesday of each month at the City Hall at 5:30 PM. The meetings are open to men and women in the community. San Jacinto Pilot Club is part of Pilot International, a 501(c)3 organization which is a community-based volunteer service organization founded in 1921 in Macon, GA on the 19th birthday of Edwin W. Smith, known as Pilot. "Pilot" was inspired by the name of a U.S. Navy seaplane that crossed the Atlantic in 1919. The club was founded as an international service and fellowship organization for men and women who share a common interest in community service and who have completed a bachelor's degree from an accredited college or university. For more information visit www.SanJacintoPilot.com.

Texas Renaissance Festival King and Queen proclaim a celebration for 45th Festival Anniversary

Humble Education books presented to GCCISD

I Believe in Jesus; Now What

Great question. Believing in Jesus is not the end, but the beginning of the Christian life. These are some basics:

1. Find a good church and attend every Sunday. Get to know the people.
2. Get baptized. Believer’s baptism by immersion is a picture of your salvation and a testimony of your stand for Christ.
3. Read a chapter in the Bible every day. A good place to begin is in the Gospel of John. Get a good English translation like the NIV.
5. Give to the Lord and His church.
6. Tell others about Jesus. Keep Jesus first in your life.

But seek first the kingdom of God and His righteousness, and all these things shall be added to you. – Jesus; Matthew 6:33

You are invited to Northside every Sunday at 11am & 6pm. Services last about an hour, dress is casual.

About Texas Renaissance Festival

The Texas Renaissance Festival is the nation’s largest and most acclaimed Renaissance-themed event. Established in 1979 and located in Plantersville, Texas, the festival celebrates the 16th-century European village. This immersive experience features world-renowned live entertainment, works by master artists and craftsmen, award-winning food and drink, handcrafted works, and more than 100 interactive characters throughout the newly themed weekends from Sept. 28 through Dec. 1, 2019. The festival and adjacent Texas Renaissance Festival Park encompass more than 150 acres of downtown Houston.

For more information, visit TexRenFest.com.

Stefanie Long (middle), district volunteer for The Humane Society of the United States, presents 35 books, “The Life of Gus – The Dog with the Big Head,” to Hailey Higginbotham, Goose Creek Middle School student, at the Dragonslayer gift shop. The book was presented to GCCISD students by Sandee Roquemore-Maxwell, to Christi Leath (left), director of advanced academics and special projects, and Dr. Randal O’Brien, Goose Creek CISD superintendent, for Goose Creek CISD elementary campuses. The book is based on the true story of Gus, the street dog from Houston who is now the ambassador for stray worldwide. It is their hope that teaching children about being kind to others and to animals will lead to taking that kindness and compassion with them into adulthood.

The book features coloring books for distribution primarily in areas where pet owners do not have access to care for their pets.

Pride only breeds quarreling, but wisdom is found in those who take advice.
HOUSTON – On past Labor Day weekends, hundreds of impaired crashes result in fatalities on Texas roadways. The Texas Department of Transportation’s “Plan While You Can” campaign reminds everyone involved of the consequences of impaired driving before the festivities begin.

“The long weekend should be an opportunity to enjoy extra time with family and friends, rather than experience a sense of regret or heartache,” said TxDOT Board Member Sherry Brooks. “Everyone involved of the consequences of impaired driving, especially drivers under the influence of alcohol risk jail time and loss of their driver’s license. Find alternative ways to get a ride home safely.”

During the August Board Meeting, the TxDOT Board recognized Galena Park ISD recognized Patti Bell of the Economic Alliance Houston Port Region as the recipient of the Patti Bell Award. The Galena Park ISD Board of Trustees held a celebration to honor Ms. Bell for her involvement in the Galena Park community and her contributions to the school district.

Plan While You Can

“Plan While You Can” is a statewide tour featuring the “Plan to Win” virtual reality game where participants are part of an immersively-tense game. The purpose of this experience is to make riders and drivers aware of the consequences of impaired driving. Players avoid “jail” by answering questions correctly, and winners progress to a virtual reality tour meant to make riders and drivers aware of their role in preventing fatalities. The program will visit 11 Texas cities through September.

While drivers under the influence of alcohol risk killing or seriously injuring themselves or others, they also face up to 90 days in jail and a fine of up to $1,000. The “Plan While You Can” campaign encourages drivers to make smarter choices while on the road, such as going the speed limit, wearing a seatbelt, never drinking and driving or texting and driving. November 7, 2022, was the last weekend many drivers are encouraged to call a friend or ride-share service to receive a safe and sober ride. The National Highway Traffic Safety Administration estimates 1 in 3 drivers involved in a fatal accident were drinking alcohol related to drinking and driving or texting and driving.

The “Plan While You Can” campaign is supported by the broader social media and word-of-mouth effort that is known as #EndTheStreakTX, a key component of TxDOT’s annual #EndTheStreakTX campaign. The #EndTheStreakTX asks all Texans to commit to drinking safely to help end crashes involving drivers under the influence of alcohol.

The “Plan While You Can” campaign is supported by the broader social media and word-of-mouth effort that is known as #EndTheStreakTX, a key component of TxDOT’s annual #EndTheStreakTX campaign. The #EndTheStreakTX asks all Texans to commit to drinking safely to help end crashes involving drivers under the influence of alcohol. It’s your responsibility to avoid “jail” by answering questions correctly, and winners progress to a virtual reality tour meant to make riders and drivers aware of their role in preventing fatalities. **COMMUNITY NEWS**

**HIGHLANDS ROTARY CLUB NEWS**

**Famed surgeon Dr. Agris tells of his work at Rotary**

Home Health Care

**Notice of Public Hearing on Tax Increase**

The Harris County Emergency Services District No. 80 will hold two (2) public hearings on a proposal to increase total tax revenues from properties on the tax roll for the preceding tax year by 4.7% percent (percentages by which proposed tax rate exceeds the lower of the rollback tax rate or the effective tax rate as calculated under Chapter 36, Tax Code). Your individual tax may increase at a greater or lesser rate, or even decrease, depending on the changes in the taxable values of your property in relation to the changes in taxable values of all other property and the tax rate that is adopted.

The FIRST PUBLIC HEARING will be held on September 12, 2019 at 6:00 p.m., at Crosby Fire Station No. 4, 123 Dausman Boulevard, Crosby, Texas 77532.

The SECOND PUBLIC HEARING will be held on September 16, 2019 at 6:00 p.m., at Crosby Fire Station No. 4, 123 Dausman Boulevard, Crosby, Texas 77532.

The members of the governing body voted on the proposal to increase the tax increase as follows:

FOR: Bob Boyles, Raymond St. Julian, Sr., Randy Foster, Derek Elkins and Kevin Pipes

AGAINST: None

ABSTAINED: None

ABSENT: None

The average taxable value of a residence homesteaded in Harris County Emergency Services District No. 80 last year was $339,189 (average taxable value of a residence homesteaded in the taxing unit for the preceding tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). Based on last year’s tax rate of $0.04833 per $100 of taxable value, the amount of taxes imposed last year on the average home was $64.57 (tax on average taxable value of a residence homesteaded in the taxing unit for the preceding tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

The average taxable value of a residence homesteaded in Harris County Emergency Services District No. 80 this year is $444,186 (average taxable value of a residence homesteaded in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). Based on this year’s tax rate of $0.04796 per $100 of taxable value, the amount of taxes imposed this year on the average home was $67.04 (tax on average taxable value of a residence homesteaded in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

The average taxable value of a residence homesteaded in Harris County Emergency Services District No. 40 last year is $444,186 (average taxable value of a residence homesteaded in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). Based on this year’s tax rate for the current tax year of $0.04796 per $100 of taxable value, the amount of taxes imposed this year on the average home was $67.04 (tax on average taxable value of a residence homesteaded in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

The governing body adopted the proposed tax rate of $0.04833 per $100 of taxable value of a residence homesteaded in the taxing unit for the preceding tax year, which would be $72.09 (tax on average taxable value of a residence homesteaded in the taxing unit for the current tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older). The amount of taxes imposed last year on the average home was $64.57 (tax on average taxable value of a residence homesteaded in the taxing unit for the preceding tax year, disregarding residence homestead exemptions available only to disabled persons or persons 65 years of age or older).

Members of the public are encouraged to attend the hearings and express their views.
ASK THE EXPERT

Diamond Jim: “What is the birthstone for September?”

SAPPHIRE

When hearing the word “sapphire,” we are immediately envisioning a stunning royal-blue gemstone. However, because the word “Sap- phire” is Greek for blue, Blue isn’t the only color this gem can come in. Since Ancient times, the Blue Sapphire represents a promise of honesty, loyalty, purity and trust. To keep with this tradition Sapphires are one of the most popular engagement garnets today. They are found in many parts of the world, but the most prized Sapphires are from Myanmar (Burma), Cambodia and Sri Lanka. Sapphires with highly saturated violet-blue color and “velvety” or “denim” appearance are called “Ceylon” Sapphires. The purer the blue color and “velvety” or “denim” appearance, the rarer, ultra-expensive colors are. The most prized Sapphire must be highly saturated violet-blue gemstone immediately envision a stunning royal-blue gemstone. Food Distribution, CONTINUED FROM PAGE 1

The Houston Food Bank is the largest food bank in the United States in size and distribution. They are an app people can download to find a pantry near them, as well as a hotline they can call. 832-250-0000 and a website at foodbankh.org/find-help.

Hundreds line up in the sweltering hot weather to receive food at Jacinto City’s Town Hall distribution point.

Galena Park ISD hosts Annual District Immunization Day

On Saturday, August 17, Galena Park ISD and Harris Health System hosted the Annual District Immunization Day at North Shore Senior High School. The halls of North Shore Senior High were filled with over 450 students who received over 1,200 immunizations in preparation for the first day of school. Students also received backpacks filled with school supplies donated by the North Shore Rotary Club.

“Whether we’re helping our District partners to work together to make sure every child, not just those in Galena Park ISD, are ready to go back to school,” Dr. Mechelle Epps, assistant superintendent for student support services. Galena Park ISD would like to thank all of the volunteers who helped make this event a success.

In May, the North Shore Senior High School Accounting Team and Computer Applications Team competed in the 2019 UIL State Academic Meet. We would like to congratulate the North Shore Senior High School Accounting Team for placing 2nd overall in the 2019 US State Academic Meet. We would also like to congratulate the Computer Applications students, Andrea Rodriguez for placing 3rd and Laila Roche Garcia for placing 19th. Cheryl Green-Sandel is the computer applications team sponsor.

Thank you to each of these students and their sponsors for their efforts, hard work and dedication.

HOME FIRE WARNING

By Allan Jamail

The fire department is warning people not to plug too many things into a multi-plug receptacle. Also space heaters should never be plugged into an extension cord, they can reach a staggering 600 degrees Fahrenheit which will overheat and overload the electrical cord.
