Channelview Fire Dept. Toy Drive Sat. Dec. 4

Channelview Fire Department will hold their Annual Community Toy Drive on December 4, 2021 from 10:00am to 1:00pm at the Walmart Parking Lot, corner of Wallisville Road and Beltway 8.

"EVERY CHILD DESERVES A CHRISTMAS"

You are invited to Donate a NEW Unwrapped Toy, or Donate a Gift Card, or Donate Money.

Candlelight Remembrance Service Dec.5

Carter-Conley's Annual Candlelight Remembrance Service, Dec. 5 at 3:00 pm. In person at 13701 Corpus Christi Street, Channelview, or Live Streamed. See the website or Facebook page for access.

The Remembrance Tree will be in the lobby of the Funeral Home from Nov. 27, 2021 through Jan. 3, 2022. You are invited to come and leave a remembrance hanging on the tree.

More information, 713-455-5100.

North Channel Chamber Open House

The North Channel Chamber of Commerce welcomes you to their Holiday Open House, Tuesday December 11, 2021 from Noon to 3:00pm. At the Chamber office, 13301 East Freeway, Suite 100, Houston 77015.

Chamber members, guests, and the public are welcome to come and share the Holiday spirit.

Info 713-450-3600. Reminder: 45th Annual Awards GALA will be held Jan. 27, 2022 at the Sylvan Beach Pavilion in La Porte.

Parades, Santa, Toy Drives: Holiday Season underway

By Charlotte Jackson

The 6th Annual Community Toy Drive will be held on Saturday, with the collection point being the parking lot between Panera and WalMart. The drive is held by the Channelview fire department, with the help of volunteers from the Channelview Ministry Team, and students from nearby schools. Sponsors include Arkema, Caterpillar, Solar Turbines, Lyondellbasell, and others. The toys will be distributed by the Ministry Team to about 200 needy families next week.

If you are looking for a parade, be sure to join the fun in Cloverleaf on Thursday, December 16 as well as on Friday, December 17 in Channelview. If you want to have more fun, go east to Barrett Station for the Annual Parade on Saturday, December 18.

For those who want to see the gift of love in action, you can see a single parent who is without transportation receive a refurbished vehicle, filled with gifts, on Thursday, December 16. Bates Custom Collision in Channel-

view sponsors this annual event. Leading up to this day, community members have opportunities to donate items for the family.

I would be amiss if I failed to mention that not only does the North Channel Area Chamber host an Annual Open House, but so do the local School Districts. Look around social media or google the events. If you want to know more, contact me at Charlotte.Jackson@yahoo.com.

Mustangs hold on over Katy Falcons 26-20

Advance to Quarterfinals Friday night vs. Atascocita

found out they could use passing and pass interference penalties against NS to get back in the game. If their game's passing had been more accurate they would have wrecked havoc and probably advanced into the playoffs. They outscored NS 20-6 in the final two quarters. NS had a lone but important second half, third quarter game winning Mustang TD.

Both teams had 17 first downs; total yds. were nearly identical. NS

had twice as many penalties for four times the penalty yards, 6-63/3-15. NS's penalties and turnovers (3) kept Katy's offense on the field keeping the game close.

Freshman quarterback Kaleb Bailey threw for all four of NS's TD's, which is a significant improvement than in previous games, making him more versatile. The offense made 335 yds, Carlos Dominguez kicked 2 extra points and had 2 kicks blocked.

Defensive pass interception by Mustang #10 Kent Battle stopped Falcons offense momentum. Photo by Allan Jamail

NS Leading passers: Kaleb Bailey 8-12, 109 yds, 4 TDs. & Wyndell Mitchell 2-2-0, 12 yds.

NS leading receivers & scorers: Jhalyn Bailey 3-54, 2 TDs, David Amador 3-41, 1 TD, Xavier Owens 2-12, Nessiah Dunham 1-5, 1 TD; 121 total passing yds.

NS leading rushers: Kaleb Bailey 12-103, Xavier Owens 13-53, Rashaad Johnson 5-34, Evan Jackson 1-20; 214 total rushing yds.

Game Team Captains:

#2-Caleb Flagg, #7-Jayven Anderson, #16-Aubrey Broussard, #84-Joseph Richard.

By Allan Jamail

GPISD North Shore High School – November 10, 2021 family, fans, faculty and students lined the gyms bleachers to witness college scholarship acknowledgement of softball players Emily Garcia and D'Auna Jenkins. Garcia a pitcher will be heading to San Jacinto College to join the Coyotes who are one of the premiere teams in the nation and the Region XIV Champs. And D'Auna Jenkins will be headed to Duke University Blue Devils who just won their first ACC title in team history.

D'Auna Jenkins said, "I am so thankful to be

in this position today, this ride has been insane. I want to give a huge thank you to my family, friends and all of my supporters. To my high school coaches, thank you for pushing me to be the best version of myself and being the best leader I can be. To my amazing mother thank you for the countless sacrifices, this couldn't have been able to happen without you. Coach Ray, I love you more than words can ever say. You have molded me into a fearless, determined, strong minded athlete. You allowed me to believe in myself when I felt everyone was against me. I can't wait to experience an-

Panther band wins third overall

The King High School Panther band attended the Gulf Coast Marching Championships on October 30 at McNeese State University. The Panther marching band placed second in their division and third overall of 19 bands that competed. This is the team's final contest for the year.

From L-R: Amber Marquez (Drum Major), Joella Joseph (Colorguard Captain), Jerson Lopez (Head Drum Major), Melany Hernandez (Colorguard Senior Member), Alejandra Gonzalez (Drum Major).

Null Middle School students set record

Over the weekend, two Null Middle School Stallion band members auditioned for the Region Band along with 200 students in the area. Eighth grader Gabriel Harris came in third out of 24 tubas and will perform in the symphonic band. Kady Henry, 7th grader, came in fourth out of 24 tubas and will perform as first chair in the concert band. The concert will be held Saturday, November 6 at Galena Park High School with all of the other students who earned a spot in the regional bands. It has been more than five years since Null Middle School has been represented in the Region Band.

**Kelsey-Seybold Joins Dynamic Community,
Opens Doors to New North Channel Clinic**
On Aug. 23, Kelsey-Seybold celebrated the much-anticipated opening of its North Channel Clinic. Patients living nearby and residents in and around the North Channel area now have a convenient location close to home and work. The new 7,500-square-foot clinic is located at 5820 E. Sam Houston Parkway North in The Shops at Stone Park. Ample parking is available in front of the clinic.

Clinic Administrators Jackie Baker and Alvin Payne welcomed patients to the bright, modern clinic.

Ambulatory Services Representatives Daniella Jackson (left) and Amanda Stringer checked patients in for their appointments on opening day.

New Kelsey-Seybold Physician John Ruelas, M.D., Family Medicine, saw patients on opening day and said they all were excited to have a new clinic so close to home.

Adam Mitchell, M.D., Managing Physician at North Channel clinic, has been with Kelsey-Seybold for 13 years and is delighted to welcome new and current patients to the newly opened clinic.

Clinic staff and providers commemorated opening day at North Channel Clinic with a group photo.

GPISD Board recognizes Bryce Thamm from NS Elementary

Bryce was selected to participate in the 2021 Lone Star Leadership Academy Camp with other distinguished students from across the state. The students had an opportunity to learn about the great State of Texas by visiting numerous historical sites and venues throughout the state. During the week-long camp, they participated in leadership groups and activities to complete problem-solving simulations and learn the importance of resourceful, creative and diplomatic teamwork. A certificate and medal were presented to Bryce Thamm on behalf of the Board of Trustees and Dr. John Moore, Superintendent of Schools.

other four years of softball at my future home. GO BLUE DEVILS BABY!"

Emily Garcia said, "First I would like to thank everyone for coming out today. I would like to thank God for giving me this opportunity to play the sport I love and for letting me continue my education and softball career at San Jac. Softball has never really been a straight line. I've had a lot of ups and downs. At times, I felt there were definitely more lows than high but I never gave up. Instead I used it to keep pushing and get better. I also want to give a big thanks to all my coaches, friends, family and teachers for pushing me and wanting the best for me. To Coach McKay, Coach Colbert and coach Nava thank you for always believing and trusting in me. I appreciate all of your guidance and support. I also want to thank my parents for giving me everything I've ever needed to be the best version of myself. Without my parents I don't know where I would be today, from taking me to all my lessons to never missing any games. My parents made it possible for me to play the game that has my heart. Softball has also given me the opportunity to make some great friendships that I will cherish forever. And with that being said I am excited to be a Coyote!"

Lady Mustangs head coach Sydney McKay is a Houston native, born and raised in Pearland. At Pearland high school she had a 4-year letter. Later playing at University of Louisiana Monroe, she earned all-conference and all-region honors and currently holds the all-time hit record at ULM. In her first year she guided the team to the playoffs and next season she'll have most all players returning including 6 seniors.

McKay said, "D'Auna is a great student and athlete who has all the tools to play at the next level and will be successful on and off the field! Her work ethic on the field and in the classroom is unmatched and it shows in her play. Duke is lucky to be getting her. Emily is a dual threat in the circle and at the plate. She gets it done in the classroom and on the field. I am very excited for her future as a Coyote. San Jac got a good one!"

Feel the Love

This week as I turned the page on the calendar to see that we have survived one of the roughest years in modern history, it was enough to make me want to jump and shout. Knowing that December brings a season of grazing and praising, the sight of seeing the word "December" had me smiling from ear to ear.

Instantly I saw dates on the calendar that jump out to me. Christmas Day. My oldest son's birthday. My first granddaughter's birthday. My grandson's birthday. World AIDS Day. My grandson's mother birthday is December 6, and that day is l with emotions. It is the birthday of one of my classmates who even if I do not see often enough, I know that when I do, it is a reunion filled with love and laughter. It is a day recognized by family and friends who have lost a loved one too soon. I learned about this from Charles and Velma Chesnutt.

If you have been in the North Shore area any length of time, there is a great chance your life has been touched by them. Mr. Chesnutt began a career with Galena Park ISD in 1959. Several years later, Mrs. Chesnutt began her career with the district as well. In 1978, their pride and joy, Amy Corrine Chesnutt was born. Sadly, in June 2000, Amy died in a vehicular accident. On that day, Charles and Velma joined a group that no parent wants to belong to. In the months ahead, they joined together with several other couples in the area to form Hearts of Parents Endure (HOPE). Each year on December 6, there are candlelight remembrance services hosted around the world. The one held in Houston is at San Jacinto College North every year at 7 p.m. This is an event that has a beautiful story filled with love. Come out and meet the HOPE families as well as friends who have so much to share.

There are other dates that are important in our community where love is felt, and you want to mark these on your calendar. The first Saturday of December is the Annual Channelview Fire Department Toy Drive. With the help of Channelview Ministry Team as well as local businesses, the event is held at the Panera Bread on Wallisville at Sam Houston Parkway. From 10 – 1 p.m., community choirs will be singing, volunteers will be collecting new toys and gifts. Hugs are matched in number with smiles.

If you are looking for a parade, be sure to join the fun in Cloverleaf on Thursday, December 16 as well as on Friday, December 17 in Channelview. If you want to have more fun, go east to Barrett Station for the Annual Parade on Saturday, December 18.

For those who want to see the gift of love in action, you can see a single parent who is without transportation receive a refurbished vehicle, filled with gifts, on Thursday, December 16. Bates Custom Collision in Channelview sponsor this annual event. Leading up to this day, community members have opportunities to donate items for the family.

I would be amiss if I failed to mention that not only does the North Channel Area Chamber host an Annual Open House, but so do the local School Districts. Look around social media or google the events. If you want to know more, contact me at Charlotte.Jackson@yahoo.com

ASK DIAMOND JIM

Diamond Jim: “What is Moissanite and what makes it different from Diamond?”

Moissanite, also known as silicon carbide, is a gemstone unlike any other. With more brilliance and fire than diamond, this stone has been a source of intense interest ever since its discovery more than a century ago. Moissanite dances with sparkles of light that draw the eye and delight the senses. Its unique internal beauty lends a captivating allure to jewelry, making a magnificent statement at a fraction of the cost of other gemstones. But only you know what you paid - envious passers-by see only a grand statement of opulence.

Today's alluring Moissanite gemstones are the end result of a 110 year old geological discovery. Moissanite was first discovered in 1893 by the Nobel Prize-winning French chemist Dr. Henri Moissan at the site of a massive meteorite strike in Arizona. The tiny particles he unearthed were initially mistaken for diamond due to their hardness and brilliant reflectiveness, but after painstaking testing, were identified as naturally-occurring silicon carbide. This intriguing new stone was named Moissanite in his honor, and Moissan spent the rest of his life attempting to re-create this exceptional mineral, which is among the hardest materials on Earth.

Moissanite vs Diamonds

The resulting gemstones exhibit more brilliance than diamond, and are more durable than ruby, emerald, and sapphire. With a refractive index of 2.65-2.69, Moissanite is truly the World's Most Brilliant Gem®. And thanks to a dispersion level that produces 2.4 times the fire of diamond, Moissanite bends light into mesmerizing rainbow flashes of fire. By day and by night, Moissanite's conspicuous brilliance is spectacular.

The unrivaled fire and brilliance of Moissanite is guaranteed to last forever. The sparkle that makes this gemstone so beloved will never fade or dull, and is protected by a limited lifetime warranty from Charles & Colvard. Due to a hardness that is second only to that of diamond, Moissanite is highly unlikely to ever break, scratch or chip. And unlike diamonds, Moissanite stones are conflict-free and sustainable, grown as they are in a lab rather than mined from the earth.

Natural Moissanite is incredibly rare on Earth; in fact, the largest natural Moissanite gems are too small to be set into jewelry. Nearly one hundred years after Dr. Moissan's discovery, scientists at a research laboratory in central North Carolina perfected and patented the innovative process that creates silicon carbide crystals for Charles & Colvard®. Within a controlled environment that mimics the forces of nature, our researchers produce durable, super-hard crystals with a minimum of ecological impact, and absolutely no mining. Today, Charles & Colvard® remains committed to producing the highest quality Moissanite gemstones using innovative techniques and technologies.

Moissanite was introduced to the jewelry market in 1998. It is regarded as a diamond alternative, with some optical properties exceeding those of diamond. Its lower price and less exploitative mining practices necessary to obtain it make it a popular alternative to diamonds.

OUR COMMUNITY

Houston Methodist Baytown Hospital is seeing patients, both in person and virtually, because your health is still important. That's why you can be confident that we are taking every necessary precaution during the coronavirus pandemic to keep you safe.

At Houston Methodist Baytown Hospital, we continue to improve the quality of our health care and expand our services.

We are proud to offer these recent additions:

- A new leading-edge **emergency department** featuring 42 private treatment rooms
- A new and expanded **cancer center** offering infusion and radiation therapy, 12 private chemotherapy suites and support services from patient navigators
- A new neonatal intensive care unit
- Two new patient care units with 46 spacious private patient rooms
- New state-of-the-art operating rooms for cancer treatment, orthopedics, cardiovascular treatment, gynecology, gastroenterology, pulmonary, and bariatric and robotic-assisted surgery
- A new outpatient center featuring ambulatory surgery, orthopedics and sports medicine, physical and occupational therapy, imaging, laboratory services, breast care center, primary care services and an occupational health clinic
